# Common Screens

The image displays a grid of 20 wireframe screens, each representing a different common screen or component used in mobile applications. The screens are arranged in two rows of ten. Each screen includes a header bar with a back arrow, signal strength, battery level, and time (7:02). The screens are labeled with their respective names in bold capital letters.

- Profile:** A user profile screen showing a placeholder profile picture, a header with placeholder text, follower/following counts (340), and message/follow buttons.
- Chat:** A chat screen showing a placeholder name, a list of messages with timestamps, and a text input field.
- Article:** An article screen showing a placeholder name, a list of paragraphs with timestamps, and a text input field.
- Article Feed:** An article feed screen showing a placeholder title, a list of articles with headers, and a text input field.
- Search Results:** A search results screen showing a search bar, a placeholder category, and a list of products with details like product name and price.
- Collections:** A collections screen showing a placeholder category and a grid of product cards.
- Social Feed:** A social feed screen showing a placeholder title, a list of posts with headers, and a text input field.
- Product Listings:** A product listings screen showing a placeholder product name, a video player, reviews, and a product card.
- Video:** A video screen showing a placeholder category, a video player, and a text input field.
- Check Lists:** A check lists screen showing a placeholder category and a list of items with checkboxes.
- Pricing Plan:** A pricing plan screen showing a placeholder title, a plan summary (Plan 1) with a list of features, and a price button.
- Check Out:** A check out screen showing a placeholder check out, a list of products with quantities, and a total price button.
- Calendar:** A calendar screen showing a placeholder calendar, a month view for January 2021, and a list of events.
- Maps:** A maps screen showing a placeholder map, a search bar, and a list of locations.
- Contact Form:** A contact form screen showing a placeholder map, a contact us section with fields for Name, Email, and Message, and a submit button.
- Payment:** A payment screen showing a placeholder payment, payment methods (Visa, Mastercard, PayPal), card holder and number fields, expiration date and CVV fields, and accept terms and conditions checkboxes.
- Empty State:** An empty state screen showing a placeholder empty state, a message "Nothing here.", and a try this instead button.
- Side Bar:** A side bar screen showing a placeholder name, a menu listing, and a category section.
- Modal:** A modal screen showing a placeholder category, a filter section with radio buttons, and a product list.
- Filter:** A filter screen showing a placeholder filter, chips, a slider, a radio section, and a dropdown.
